RE: Closeout Report for IHSS Group 800-3 (B883) - Approval

Dear Mr. Rampe:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the Draft Closeout Report for IHSS Group 800-3, dated May 2005. Comments were provided, and resolutions reached regarding modifications to be made. The IHSS Group 800-3 includes: UBC 883, IHSS 000-121/Tanks 25 & 26, PAC 800-1200, and PAC 800-1201. Based on the information contained in this Closeout Report, including revisions made and as agreed, the Division is hereby approving the IHSS Group 800-3 Closeout Report for No Further Accelerated Action (NFAA).

Although we are approving this Closeout Report based on previous discussions and agreed upon modifications, we look forward to verifying the final IHSS Group 800-3 Closeout Report document.

It should also be recognized that although this ER Closeout Report includes information regarding the final disposition of the slab and associated below grade infrastructure, we still expect to receive a comprehensive D&D Closeout Report for B883.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, David Kruchek at (303) 692-3328, Harlen Ainscough at (303) 692-3337, or Elizabeth Pottorff at (303) 692-3429

Sincerely,

Steven H. Gunderson
